TENTH ANNUAL
EXHIBITION

1923

AMERICAN FINE ARTS BUILDING,
215 WEST FIFTY-SEVENTH STREET

"Implicit Trust"

Surely the choice of trustworthy color is a duty upon which artists cannot lay too much stress.

Artists who use Devoe colors can put implicit trust in their resistance to change. In the plants of this company, the use of pure materials is an inviolable tradition. The technical perfection of Devoe Colors is vouched for by 168 years of paint manufacturing experience.

Le Mesurier Artists' Colors

Are absolutely the same in first shades, and will produce absolutely, the same tints as the best English tube paints. We guarantee our colors to possess all desirable features found in domestic or foreign manufactures, and to excel them in many essential qualities, such as impalpable firmness, freedom from lint and other vexatious substances, and positive uniformity of strength and shade.
